Vista Parents & Guardians,

We are excited to welcome you back to another amazing year at Vista del Sur. We hope that each of you had a wonderful and safe summer. This school year brings about many exciting opportunities and endeavors to look forward to.

Vista del Sur staff members are dedicated to preparing your child to become a valuable member of society. Academic excellence and a strong partnership between parents, staff, and students are the foundation of Vista's superior education. At Vista, your child will be expected to engage in English language arts, mathematics, science, and social studies. Students will collaborate, communicate, think, experiment, and reflect throughout each day.

Please keep in mind that myself and the staff here at Vista, are eager and willing to partner with you and your student to help them grow socially and academically. I believe in the power of our Vista Tigers R.O.A.R. We are Responsible, Organized, Alert, and Respectful. Here at Vista, R.O.A.R. leads to positive interactions that ensure student success. We believe your child can succeed and will have a great experience at Vista.

Don't hesitate to contact us with any questions and remember our doors are always open. Thank you for choosing Vista del Sur!

In partnership,

Jessica Epacs

Vista del Sur Accelerated Academy

Behavioral Expectations

Vista del Sur has a highly structured, calm, and orderly atmosphere. Vista's Tigers R.O.A.R. should be exhibited at all times. Teachers and parents are expected to exemplify R.O.A.R. and abide by school rules.

Respectful

Organized

Alert (safe)

Responsible

STUDENT CONDUCT

Vista del Sur is dedicated to providing a safe and respectful school environment. The Vista staff believes that all students can exhibit appropriate school behaviors. Parents, students, and staff members must work together to model and teach appropriate R.O.A.R. behavior. Students should expect positive and negative consequences as a part of learning what is right and wrong. Let's work together to provide a positive learning environment.

To help guarantee student safety and a positive social and educational climate, it is important that students understand that respectful, organized, alert (safe), and responsible behavior will be expected from them at all times.

Students may be rewarded by the following:

- Positive recognition by teacher and peers
Power paws/Positive Class Dojo points (redeemed at classroom/school store)
- Tiger Tickets (recognized on the announcements and a tiger tag)
- Student of the Month Breakfast

Discipline will be administered when any individual's actions threaten the safety of others or interfere with the right of teachers to teach and students to learn. Students are reminded that any staff member has the right and responsibility to correct unruly individuals at any place and at any time. Students are accountable to school and district rules from the time they leave their home to school, until the time they return home. Students that do not exemplify the Tigers R.O.A.R. are subject to the following consequences:

- Parent contact
- Parent, teacher, administrator, student conference
- Lunch or after-school detention
- In-School Detention
- Out-of-School Suspension
- Confinement may be used for disciplinary purposes as per A.R.S. § 15-843 and Laveen District Policy JK-Student Discipline
- A.R.S. § 15-153 requires the district to notify the parent or guardian of each student who is involved in a suspected crime or any conduct that is described in subsection A of this statute, subject to the requirements of federal law.

ACADEMIC PROBATION

Any student who earns a failing average grade (D or F) for a grading period will be placed on academic probation for the following grading period. The student will be required to perform the following tasks to be removed from probation; earn a passing grade, turn in all homework on time, complete all in-class assignments on time, and/or attend tutoring as designated by the teacher and as available. If the student fails to meet the requirement for removal from academic probation within the next grading term the student shall be transferred out of Vista del Sur Accelerated Academy in accordance with the procedures established by the Laveen Elementary School District.

Grading terms as follows:

September 11 – Quarter 1 Progress Report
October 4 – End of Quarter 1
November 13 – Quarter 2 Progress Reports
December 19 – End of Quarter 2
February 5 – Quarter 3 Progress Reports
March 7 – End of Quarter 3
April 16 – Quarter 4 Progress Reports
May 21 – End of Quarter 4

ASSIGNMENTS

Students are expected to complete all assignments by the due date specified by the teacher. Assignments that are incomplete or late will be subject to partial credit in alignment to our standards based grading.

ATTENDANCE GUIDELINES

Regular school attendance is vital for a child to be successful. A child who is not in school cannot learn. For this reason, it is important that all parents make a commitment to ensure their child is at school and on time. Students absent from school on any given day are ineligible to participate in any extracurricular activities scheduled that day or evening (including dances, concerts, etc.).

All student absences must be reported. Please notify the school attendance office each day your child is absent. Parents will be notified through the School Messenger automated service when an absence has not been reported. Parents need to notify the school office immediately of any change of phone number(s).

1. If contact is not made by telephone, a written excuse signed by a parent, guardian, or doctor must be sent to school on the day following the absence. All absences not verified by parental or administrative authorization will remain unexcused.
2. Students will be withdrawn from school upon reaching their tenth consecutive day of unexcused absences.
3. Absences from school are generally “excused” by school administration when the student is absent due to personal illness, personal injury, or family tragedy (see #6 below). Please make every effort to adjust family schedules and medical appointments to avoid missing school.

4. The definition of “truant” is an unexcused absence (as per school administration) for at least one class period during the day (as per HB2218, Chapter 141). Truancy may result in the student being assigned to lunch detention or to in-school detention.
5. The definition of “habitually truant” means a child who is truant for at least five days within a school year (as per HB2218, Chapter 141). Students who are habitually truant will be subject to disciplinary action and will be referred to local law enforcement officials.
6. The definition of “excessive absences” means a child who is absent 18 days or more throughout the school year regardless of the reason. Students who have 18 or more absences throughout the school year will be required to have a doctor’s note to excuse further absences. In addition, students who have excessive absences may be retained.
7. Students will be marked for a half-day or full day absence according to the guidelines below.
8. For a student to earn 'perfect attendance' they must be in attendance every day during regular school hours. (This includes no tardies or leaving school before the end of the scheduled day.)

Kindergarten Students:

- *Counting for full day attendance on a regular day* – 3 hours 28 minutes of instructional time.
- *Counting for full day attendance on a half-day release* – 1 hour 58 minutes of instructional time.

1st-8th Grade Students:

- *Counting for full day attendance on a regular day* – 5 hours 15 minutes of instructional time.
- *Counting for half-day attendance on regular day* – 3 hours 30 minutes and up to 5 hours 14 minutes of instructional time.
- *Counting for full day attendance on a half-day release* – 3 hours of instructional time.
- *Counting for half-day attendance on a half-day release* – 2 hours and up to 2 hours 59 minutes of instructional time.

Checking Students Out for Early Dismissal

To ensure the safety of our children, parents wishing to check their children out of school early must do so through the front office. Proper ID must be provided. Parents are not to pick up their children at their classroom, as teachers have been instructed to release students only through the front office. If students are checked out before the end of the school day, the absence will be recorded the same as a tardy. Tardies and early releases are part of the school day and are subject to the state law on compulsory attendance. The law requires elementary age students to attend school. (A.R.S. § 15-803) Early release requests within the last 30 minutes of the school day may be denied, as this creates congestion in the pick-up area and disrupts end of day routines and procedures.

Closed Campus

Campuses of all schools in the Laveen School District are considered to be closed campuses; that is, a student may not leave the school grounds during the hours school is in session, and all visitors must check in through the front office. This includes before school and lunch hours. (Review the “Visitors to Campus” section of this handbook for more details.) Once students arrive on campus, students cannot leave until they are dismissed at the end of the day unless:

- A parent/guardian picks up a student and formally signs him/her out through the office. Proper ID must be provided.
- The health assistant determines that a student is too ill to remain at school. In these cases, the parent/guardian will be contacted and the student should be picked up and signed out through the office.

Tardies

All students are expected to be on time for classes and prepared with necessary materials. A tardy student with a legitimate excuse must present a parent/guardian-authored note to the office to verify the excuse. Repeated tardies may result in disciplinary action, including but not limited to detentions, ISD, or OSS.

Students Enrolled Less Than Twenty Days

It is the practice of the Laveen Elementary School District faculty and administration to report grades for students who have completed a minimum of twenty days in class. There is insufficient information about pupils who have attended less than four full weeks of class to merit a grade. Teacher(s) will be able to provide information to parents/guardians as to the general efforts made by a child in attendance less than the required twenty days.

BICYCLES, ROLLER BLADES, & SKATEBOARDS

Bicycles will be the sole responsibility of the students riding them. The school will not be responsible for stolen or damaged bicycles. Bicycles are to be walked on school property, parked in the designated bike rack, and secured with a lock. Skateboards, roller skates, two-wheeled scooters, Heelys, and rollerblades are not allowed on school grounds at any time.

BUSES

Students eligible for transportation receive permission to travel to and from school by bus when prior arrangements have been made between parents and the school. Route and stop information will be added to the student’s ID, which must be displayed upon boarding the bus or at any time it is requested. Parents must obtain prior permission from the administration for students not previously assigned to ride a bus, or a particular bus (i.e., to travel with a school friend). Students are required to ride their assigned bus. If a student needs to ride another bus due to an emergency, parents must write a note to take to the school office. The school will then complete the appropriate form that allows the student to board the bus. Notes to the driver are unacceptable.

All students must have their ID, with transportation designation, or a proper temporary bus pass to board. If a student does not have his/her ID, a pass will be given to ride the bus. In the event a student is unable to retrieve a pass, they will still be allowed to board the bus. However,

repeated requests for a pass may result in disciplinary action. Replacement IDs, badge holders, and lanyards are available in the front office for a nominal fee.

Surveillance cameras may be utilized on school buses. Video and/or audio surveillance are used by the district primarily for aiding student discipline on the buses.

The District's transportation department participates in Positive Behavioral Interventions and Supports (PBIS). The bus expectations are as follows:

Be Safe

- Stay on curb when bus is approaching
- Stay seated while bus is in motion
- Keep hands, feet, and objects to yourself

Be Respectful

- Listen to follow bus driver/associate expectations
- Speak in quiet, inside voices
- Control temper in conflict situations

Be Accountable

- Arrive on time with Student ID/Bus Pass
- Use electronics appropriately
- Be alert and watch for your stop on the way home

The transportation department reinforces these positive behaviors through the distribution of "tickets". These tickets are used in conjunction with each school's PBIS program.

Bus Rules

Students being transported are under the authority of the school principal and the bus driver and they shall enforce established and appropriate standards of classroom behavior and dress while riding a bus. Students shall also observe the following specific standards:

1. Be at the bus stop **five minutes** before your scheduled pick-up time.
2. Stand a minimum of three giant steps back from the curb when the bus is approaching. Form a line, no crowding or pushing. Never approach the bus until the bus is completely stopped and the driver signals you to board.
3. Use all of the steps of the bus and maintain contact with the handrail(s).
4. ID/Bus Pass must be scanned on and off the bus. Present ID/Bus Pass upon request.
5. Always remain seated while the bus is in motion and you arrive at your scheduled stop. Sit in assigned seat and keep aisles clear.
6. Keep entire body inside of bus. Placing your head and/or limbs outside may result in serious injury.
7. Be courteous and talk quietly. Vulgar or abusive language, teasing or bullying other passengers will not be tolerated.
8. Never throw anything from, in or at the bus.
9. Water bottles are allowed; however, you may not have soda, food, candy or gum.
10. The appropriate use of electronic devices on board is at the discretion of the driver.

11. No glass objects, animals (unless approved for assistance), insects or balloons are allowed on regular routes. Authorized sports/musical equipment must be able to be secured and may not take a seat needed for a passenger.
12. When exiting the bus, always follow the 10/10 rule: Take 10 giant steps away from the bus and always cross 10 feet in front of the bus – never cross behind it.

In the event there is an emergency, follow the driver's instructions and all emergency procedures.

Denial of School Bus Service

Bus riding is a privilege - not a right. Inappropriate conduct at bus stops, on buses, or in the process of boarding or disembarking from a bus may result in the denial of bus riding privileges. Transportation suspensions are progressive. Students are afforded due process/appeals of disciplinary action. If an infraction is deemed serious enough by the school administrator, the student may be denied bus-riding privileges from all buses for an entire school year. Bus suspensions that occur at the end of the school year may carry over into the next school year.

Possessing weapons, tobacco, edibles, vaping products, alcohol, or drugs on a school bus will be grounds for immediate disciplinary action up to and including suspension or expulsion.

CAFETERIA

The Laveen Elementary School District offers an excellent breakfast, lunch, and after-school meal program. The meals we provide are nutritionally balanced, appetizing, visually appealing, and offer a variety of choices. Breakfast is served to all enrolled students daily, beginning 30 minutes before the start of school, in the cafeteria or grab and go style, depending on the school. The breakfast, lunch, and after-school meal programs receive federal reimbursement to assist families and students. We wholeheartedly support the USDA school meal initiatives that underscore our national health responsibilities to assist in preventing America's high rates of heart disease, diabetes, obesity, and some forms of cancer through good nutrition.

Meal Consumption

Program regulations clearly intend for meals served through the School Meal Programs to be served and consumed on school or school-related premises. It is not permissible to allow children to take food away from the cafeteria to eat at a later time.

The National School Lunch and Breakfast Programs, as well as the At-Risk Afterschool Meals Program, are intended to feed students. Parents are not allowed to eat off of their child's plate when visiting during meal service. Adults desiring a meal are required to purchase one. Also, children who are not enrolled at the school may not eat off the enrolled student's plate. Children who are not enrolled at the school who desire a meal are required to purchase one.

New for the 2024-2025 school year. The Laveen Elementary School District will be participating in the USDA Community Eligibility Provision (CEP) and all meals will be provided at no cost to all students. Parents do **not** need to complete an application to qualify for free or reduced-price meals. We invite all students to participate in our meal programs.

QUESTIONS AND ANSWERS ABOUT OUR MEAL PROGRAM

How can I pay for my child's lunch?

Meals will be free for all students. Students are still obligated to repay all previous meal debt. There will be a la carte items available for purchase. Students can apply money to their lunch account in line or parents may also deposit money into their child's lunch account during school hours. Funds can also be placed onto their child's lunch account online at www.EZSchoolPay.com. To register your child(ren) you will need their student ID number.

How do I know what the balance is on my child's lunch account?

Student's balances and their transaction history are available by creating an account at www.EZSchoolPay.com or contact the Cafeteria Manager at your child's school to request a copy of their meal history and account balance. Sign up for low balance alerts at www.EZSchoolPay.com or contact the Cafeteria Manager at your child's school to request a copy of your child's meal history and account balance. Additionally, when your child's account balance drops to the equivalent of two lunches remaining, the cafeteria manager will provide a verbal reminder to the student. We allow students who forget to bring lunch money two charges; thereafter students will be provided an alternate meal that meets all USDA meal requirements. Students will never be denied nourishment due to a lack of lunch money. Cafeteria Managers will send letters home to parents when accounts become negative

How can I apply for free or reduced-price meals for my child?

Applications for free or reduced-price meals will not be available, as all students will receive school meals at no charge as part of our district participating in the Community Eligibility Provision. Families will be asked to complete an Alternate Income Form as part of the registration process to collect data needed for other federal programs, such as Title I.

My child requires a special diet, how can you help?

We have a number of resources to meet special dietary needs. To properly meet the individual needs of your child, we need written instructions from a recognized medical authority with specific details from which we will build your child's school meal choices. Contact our Nutritionist at specialdiets@laveeneld.org to initiate this process. If your child's special diet request is related to religious or other non-medical preferences, please contact your cafeteria manager to discuss how we can tailor daily choices for your child or visit our online menu linked on our website for more information. The Laveen Elementary School District recognizes that food allergies are a growing public health and food safety concern. We have experienced an increase in the number of students with food allergies, particularly allergies to peanuts. Some of our students experience life-threatening reactions when exposed to peanuts. To help reduce the chance of a life-threatening exposure while at school, the district removed peanut butter and peanut products from the cafeteria, and we ask parents to find substitutes to peanuts and peanut butter when providing snacks or packing their child(ren)'s lunch to be eaten at school. Additionally, we do our best to avoid pork products in our school menus.

My child comes home from school hungry; I don't think he is getting enough to eat at lunch. What can be done?

Our lunch program meets nationally recognized nutritional requirements for the various age groups of students; however, we recognize that during growing spurts, 'daily average caloric intake' may not be sufficient. To meet the needs of your growing child, please encourage your child to take all items offered, choose items from our unlimited fruit and vegetable bar offered daily at lunch, and visit the sharing bins located in each cafeteria.

Can I bring cookies or other treats to class for my child's birthday party? Yes, you can bring commercially prepared food items to class for parties and other special occasions. Due to county and state health requirements, homemade baked goods cannot be brought to school. In the best interest of your child, and those of other children in the class, healthy treats like fruit, yogurt, and whole-grain baked goods are encouraged and can be fun treats for all ages of children. Work with your child's teacher when planning these types of events.

How can I get a menu?

Menus are printed and distributed monthly at each school site. Our online menus are also linked from our website. Our online menu you to view images and descriptions of our menu items, review nutrition information, filter menu items by allergens, view carbohydrate counts, and provide feedback. You can also download the mobile app on your Android or iPhone.

Can I eat with my child?

Parents are encouraged to have lunch or breakfast with their child on an occasional basis. If interested, please visit www.laveeneld.org for adult meal prices.

Can I send a sack lunch to school with my child?

Sack lunches are permitted, but foods and beverages brought from home may only be consumed by the child bringing such items and not shared with other students. Due to federal and state regulations, homemade baked goods, soda, and outside food service items (i.e. McDonald's, Taco Bell, etc.) cannot be distributed or shared with other students.

COMMUNICATION

Our website is a great place to access current information about Vista. The monthly newsletter is also published on our website. Often we send email-blasts through ParentSquare that highlights upcoming events and reminders. Please contact our front office with any questions and/or concerns at 602-237-3046. Office staff will route you to the appropriate person that will work with you.

DIRECTORY INFORMATION

The District designates the following personally identifiable information contained in a student's education records as "directory information" and may disclose that information without prior written consent [20 U.S.C. 1232g(a)(5)(A)]:

- A. The student's name
- B. The student's address

- C. The student's telephone listing
- D. The student's date of birth
- E. The student's grade level
- F. The student's dates of attendance
- G. The student's most recently attended educational agency or institution

Following this notification, parents have two (2) weeks to advise the District in writing of any or all of the items they refuse to permit the District to designate as directory information about their student.

DISTRICT ATTENDANCE BOUNDARY

To provide families with more flexibility and choice of schools, the Laveen School District has a single shared attendance boundary, the district boundary, to serve all nine schools. Subject to space availability, residents of our district may enroll their child in any Laveen school of their choosing without having to go through the open-enrollment process.

*Paseo Pointe Dual Language Academy and Vista del Sur Accelerated Academy have additional enrollment requirements.

Families wishing to transfer their already enrolled child(ren) to a different Laveen school will need to complete a transfer request. Enrollment at a different school is subject to space availability.

Per Policy JFB, placement is based on the following priorities:

1. District resident students, including those issued certificates of educational convenience and those required to be admitted by statute.
2. Students returning to the same school from the prior year.
3. Siblings of students already enrolled.
4. Students who are children of district employees

Bus transportation will be offered to students living within a school's transportation zone. General zones can be found on our district website, <https://www.laveenschools.org/programs-services/transportation/>.

Visit www.laveeneld.org/open-boundaries for more information.

**Vista del Sur has its own enrollment schedule. It is an accelerated school and students must take an assessment prior to enrolling. Paseo Pointe Dual Language Academy is a dual language immersion (DLI) school. Incoming students must qualify for and enroll in the DLI program.*

DROP-OFF AND PICK-UP

Vista del Sur is located at the end of South Mountain Avenue. There are over 800 students traveling to and from school in the mornings and afternoons. SAFETY is the number one priority. As a Vista Tiger Community Member, it is expected that you will follow the procedures, failure to do so may result in the required withdrawal from Vista del Sur.

AM Drop Off

Park only in designated parking spots, and physically walk your child into Vista del Sur.

PM Pick Up

You may not park and physically walk in and pick up your student. You must stay in your vehicle and go through the pick-up lane, utilize the brown zone in the parking lot northwest of Vista or choose bus transportation. These are the ONLY pick up options.

Transportation options are listed below:

- Laveen Elementary School District offers transportation services from your home-school.
- Personally drop off and pick up your children at Vista by **slowly and cautiously** driving through the vehicle line.
- Use the driver's side of your vehicle for drop-off and pick-up. Be sure to pass with caution as not all vehicles allow the use of the driver's side.

Guidelines:

- DO NOT drive through a parking lot and let your child out of the car unattended.
- DO NOT drop off in the bus/staff lot – this is a designated BUS ZONE ONLY.
- DO NOT block others that are parked legally.
- DO NOT 'short cut' to get a better place in line. You are a ROLE MODEL.
- DO NOT allow your children to walk to 41st Ave, where the traffic is most congested to meet you at your car. It is expected that you will use the drive through line to drop-off and pick-up your students.

DRUG FREE SCHOOL ZONE

The mission of the Drug Free School Zone is to guarantee a safe environment on and around the school campus. This will be accomplished through enhanced enforcement and prosecution of drug, weapon, and other criminal laws as well as through the use of drug and gang awareness programs. In cooperation with local law enforcement, school districts, prosecutors, parents, and the community at large, our children and their teachers will be afforded the fundamental right to a safe educational environment. Arizona law A.R.S. §13-3411 provides for stiffer penalties for those caught selling, using, or possessing drugs within 1,000 feet of a school campus. Law enforcement authorities will be notified in any situation where a person is suspected of violating A.R.S. §13-3411.

ENGLISH LEARNER PROGRAM

The Laveen School District recognizes the linguistic and cultural diversity of all students and offers programs designed to meet the needs of students acquiring English. English Language Development (ELD) is available for each student who is qualified as an English Learner (EL). A standardized English proficiency assessment is used to determine English proficiency (ARS §15-755), and is administered annually to ensure educational progress (ARS §15-756.05). A student classified as EL shall be offered instructional support with the goal of achieving English proficiency and ultimately meet or exceed grade-level academic standards in a timely manner. ELD instruction is guided by the English Language Proficiency Standards (ELPS) using a Structured English Immersion (SEI) model or a Dual Language Immersion model.

For more information about the English Learner Program or to inquire about testing your child for English proficiency, please contact the Federal Programs Coordinator at 602-237-9100, ext. 3051.

EMERGENCY EVACUATION, LOCKDOWN AND FIRE DRILL

The Laveen School District has made many preparations to deal effectively and realistically with emergency situations that could occur in or around your child's school. While we hope that a serious incident never occurs, our goal is to be prepared for any potential emergency. Each school has a safety committee that reviews policies and procedures to enhance the safety and security of their campus. Best practices in safety and security are often reviewed and implemented across the district. At a minimum, fire drills are conducted monthly and lockdown drills are conducted four times per year. Please visit our School Safety page under the Parents tab of the district website for important safety information for parents:

www.laveenschools.org/school-safety

EXTRACURRICULAR ACTIVITIES

Activities will be established and designed to offer students worthwhile athletic and leisure-time interests, wholesome recreational and social activity, and an opportunity to develop skills in democratic and cooperative management for these activities.

The student must attend school on the day of the athletic competition/extracurricular activity. If the event is held on a weekend, the student must attend school the Friday before the event. If the student needs to be absent for part of the day for an appointment, they must have a note from the doctor/dentist to be able to participate in the extracurricular sports competition/activity.

Students who, upon having their work checked on a cumulative basis show that they have one or more failing grades will be removed from any athletic teams or extracurricular activities. After improving their respective grades, they may be reinstated to the team or activity.

If a student receives detention or is suspended (in-school or out-of-school) for any reason, she/he will not be able to participate in any after school activity for the day(s) of consequence. This includes athletic practice, competitions, academic and non-academic after school activities. This includes traveling with the team/group to an event, even if only as a spectator. With the exception of after school tutoring, repeated suspensions will result in a student's removal from the team/club for the remainder of the season (sports) or grading period (club). Suspensions for weapons and narcotics will result in the immediate removal of the student from the team/club for the remainder of the season (sports) or grading period (club).

The administration has the discretion to adjust the policy depending on individual situations.

Criteria For Student Participation In Extracurricular Sports

Students and their parents who participate in sports activities are required to participate in an educational program about issues related to concussions. This program will not only educate, but also explain the guidelines that Laveen follows regarding concussions. Being a student athlete

requires great responsibility to maintain good academic standing. Grades will be checked at the start of the season. They will be checked throughout the season on a bi-weekly basis.

An athlete becomes *academically ineligible* if he/she has one or more Ds in any academic or elective class. This means that all athletes carry a minimum grade of C in all classes. Athletes have until the next grade check to bring grades up to good academic status. During a period of *academic ineligibility*, athletes may practice, but they may not participate in any athletic contest during the two-week suspension.

If athletes do not bring their grades up during the two-week suspension, the athlete will be placed on academic alert for one week. During academic alert, athletes are expected to attend, but may not practice or participate in athletic contests. At the end of the third week, if the athlete is not able to bring up his/her grades, he/she will be removed from the team.

Athletic seasons go by very quickly and if an athlete is suspended for two weeks, a lot of games could be missed. Participants are a student first and an athlete second.

GIFTED EDUCATION

Gifted education is available for each student who is qualified as a gifted pupil. According to Arizona statute: "Gifted education" means appropriate academic course offerings and services that are required to provide an educational program that is an integral part of the regular school day and that is commensurate with the academic abilities and potential of a gifted pupil.

A "gifted pupil" means a child who is of lawful school age, who due to superior intellect or advanced learning ability, or both, is not afforded an opportunity for otherwise attainable progress and development in regular classroom instruction and who needs appropriate gifted education services, to achieve at levels commensurate with the child's intellect and ability. For more information about gifted services or to inquire about testing your child for gifted services, please contact the school office.

GRADES

The Laveen School District is committed to helping students reach proficiency and beyond on Arizona's rigorous academic standards. Therefore, we are utilizing a standards-based grading system that allows us to better communicate with parents on the progress students are making toward mastering the content standards.

Report cards will be distributed quarterly, and will include both an academic grade and an effort grade for each subject. The academic grade is intended to report a progress score aligned to mastering the taught standard. The effort grade will reflect the student's applied effort toward that academic grade through such things as participation, homework completion, and behavior.

Students must be enrolled a minimum of twenty (20) days to receive a grade.

Parent/Teacher Conferences

Conferences are held at least twice per year and provide an opportunity for parents and teachers to dialogue about the progress students are making toward mastering the academic standards. Please see the school calendar located in this handbook for specific dates. Parents may schedule a conference whenever they feel it is necessary to talk with a teacher.

ParentVUE

Student grades will be posted on ParentVUE. Please ask your child's teacher for an activation key. To access ParentVUE, go to the district's website at www.laveeneld.org and click on ParentVUE under the Parent tab.

GRADING SCALE

All grade levels will have academic letter grades to reflect achievement and effort:

A	90% - 100%
B	80% - 89%
C	70% - 79%
D	60% - 69%
F	Below 59%

HAZING

"Hazing" means any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in any school club or sport.
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation.

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing. (See EXHIBIT JICFA-EB at the end of this handbook.)

HEALTH SERVICES

Address/Telephone Number Change

For the protection of our students, a current Health History form should be filled out annually. Parents should notify the school office immediately when there is a change of address, home or parent work telephone number, or a change in the emergency contact phone number. Please have plans for picking up a child who becomes sick during the school day.

Medication

Under certain circumstances, when it is necessary for a student to take medicine during school hours, the district will cooperate with the family physician and the parents if the following requirements are met:

- There must be a written order from the physician stating the name of the student, the name of the medicine, and dosage instructions.
- There must be written permission from the parent to allow the school to administer the medication. Appropriate forms are available online and can be obtained from the school health office.
- The medication must come to the school health office in the original prescription container with the student's name, name of the medicine, and dosage instructions.
- A parent or designated adult must transport the medication; students are not allowed to carry/transport medication. Exceptions may be made for students who have been diagnosed with anaphylaxis, breathing disorders, and diabetes. In these exceptional circumstances, arrangements must be made in advance with the district nurse.

Please be advised the health office does not provide Tylenol, Ibuprofen, or over the counter drugs. If your child needs these medications, a parent/guardian must provide a new unopened package for each individual student and must fill out the proper paperwork for dispensing it. Without proper documentation, it will not be dispensed.

Feminine Hygiene Products

Feminine hygiene products are readily available for students in each health office.

Immunizations

Children must have proof of ALL required immunizations, or a valid exemption, in order to attend the first day of school. Arizona law allows exemptions for medical reasons, laboratory evidence of immunity, and personal beliefs. Exemption forms are available from schools and at <http://www.azdhs.gov>. Homeless students are allowed a 5-day grace period. The record for each vaccine dose must include the date and name of doctor or clinic. The statutes and rules governing school immunization requirements are: Arizona Administrative Code, R9-6-701–708

Childhood Illness

Certain signs and symptoms in children may suggest the presence of a communicable disease. Children with these symptoms should not be in the classroom. However, the child may return to school when he/she is no longer sick or contagious to others, and he/she feels able to join in classroom activities. If your child is not feeling well, keep them at home. Please do not medicate a student and then send them to school. This masks the illness and exposes other students and staff to the illness.

The following common symptoms are reasons to keep your child home.

- **FEVER:** An oral temperature of 100.4 F degrees or above. The child may return to school when he/she has been fever free for 24 hours without the use of a fever reducer such as Tylenol or Ibuprofen.
*If the fever is related to a COVID-19 infection a student must be fever free for 72 hours without the use of a fever reducer such as Tylenol or Ibuprofen.
- **BREATHING:** Difficulty breathing, audible wheezing, or hard coughing.
- **DIARRHEA:** Two or more watery, loose stools in the previous 24 hours.
- **VOMITING:** Children vomit for a lot of reasons, not all of them are indicators of illness. If your child should have two or more episodes of vomiting in the previous 24 hours, please keep him/her home.
- **EYES/NOSE DRAINAGE:** Mucus or pus draining from red eyes that may be swollen, or eyes and lashes that are matted and crusty. Thick, cloudy, yellow/green drainage from the nose needs to be evaluated by a healthcare provider and may need treatment with antibiotics for 24 hours before being allowed to return to class.
- **SORE THROAT:** Sore throat when fever or swollen glands are present.
- **RASH:** Undiagnosed rashes with fever. Other signs of illness may be infected sores with crusting or yellow/green drainage, which cannot be covered with clothing or bandages.

- **ITCHING:** Persistent itching or scratching of the body or scalp, or visible vermin; (e.g., head lice, scabies).

Please notify the school whenever your child is sick, and indicate the specific illness/symptoms. If you have taken your child to your health care provider and have a confirmed diagnosis; please notify the school health office directly with that diagnosis.

Health Office Staffing

Health offices are staffed by a Health Associate and supervised by a District Nurse, who is a licensed Registered Nurse. The Health Associate and District Nurse collaborate with parents, guardians, primary care providers and school staff to provide confidential and prompt first aid.

HOMEWORK

Homework is assigned to aid each student in practicing concepts taught in class; strengthening of basic skills; developing study skills; developing initiative; and fostering independent learning. The homework guidelines will further keep parents involved in their child's academic progress, and Vista's curriculum.

Kindergarten- Grade 2	15-30 minutes per day
Grades 3-4	20-30 minutes per day
Grades 5-6	30-50 minutes per day
Grades 7-8	45-60 minutes per day

In addition to a specific homework assignment, students are expected to spend 15 to 30 minutes in additional reading per day depending on grade level. The student may be read to, may read silently, or may read to parents or others in the home.

Your child may experience difficulties if they have excessive absenteeism, are new to Vista, or during new or difficult concepts, requiring more time than is stated above.

HONOR ROLL/PRINCIPAL'S LIST

Placement on the academic Honor Roll shall be given to all students who have attained a minimum of 3.5 grade point average per quarter in combination with nothing lower than letter grades A's and B's. Placement on the Principal's List shall be given to all students who have attained at least a 3.8 grade point average per quarters 1, 2, and 3. Due to when grades are submitted, there will not be a quarter 4 Honor Roll/Principal's List. Special area grades will not be included toward Honor Roll or Principal's List GPA.

The District Nurse and Health Associate's role is that of a consultant for students, parents and educational staff. They are not a primary care provider and cannot make a medical diagnosis. Do not send ill students to school to be evaluated by the Health Office.

If you have any questions, consult your healthcare provider or contact your child's school health office. Visit our District Health Services page for more information:

KIDS CLUB – Before/After School Care and Tuition Preschool

The Kids Club Program offers carefully planned, well-supervised activities for children in grades kindergarten through sixth. There are many opportunities offered through the program that are designed to interest your child and to foster his/her social/emotional well-being, physical, and critical thinking skills. The hours of operation are 6:30 a.m. to the start of the school day, and from school dismissal to 6:00 p.m. For more information about Kids Club, please visit <https://www.laveenschools.org/programs-services/kids-club/> or contact the Kids Club office by phone at 602-237-7058 or by email at KidsClub@laveeneld.org.

Kids Club oversees the district tuition-based preschools. These programs are located at Desert Meadows, Estrella Foothills Global Academy, Paseo Pointe, and Vista del Sur. For more information on preschool programming and enrollment opportunities, please visit our website at: <https://www.laveenschools.org/programs-services/preschool/> or call the Kids Club office at 602-237-7058.

LIBRARY

All students are expected to take care of library materials and to return them on time. Library privileges may be revoked temporarily or permanently if these rules are not observed. In the event of damage of library materials, students should notify the library staff immediately. Parents will be expected to pay for lost or damaged books or materials.

Parental Access to Library Books and Materials

Parents may access each school's library collection of available books and materials through the District's website, under District Curriculum. The "Library Book Search" allows parents to browse the online catalogs for each school. The online catalog search may be narrowed to search by title, author, or topic, as well as by material type; (e.g., books eBooks, videos).

Parents have access to view the list of books and materials their children have borrowed from the school library. Through the school's online catalog, there is an option to log in with the student credentials supplied by the school. The library items checked out can be found under "My Info." Upon request, parents may receive a list of books and materials borrowed from the library by their children.

LOST AND FOUND

All found items are sent to the Lost and Found box located in the Health Office. Items that are not claimed will be donated to a worthy cause at the end of each quarter.

MAKE-UP WORK

Students who are absent from school for any reason will be required to complete work missed in each class. Students will be given one day make-up time for each day of absence. It is the responsibility of the individual student to obtain make-up work from the teacher and to submit all completed make-up work within the number of days allowed.

MCKINNEY-VENTO HOMELESS ASSISTANCE ACT

Are you currently experiencing a temporary living arrangement due to eviction, foreclosure, job loss, or a traumatic event? Laveen Elementary School District offers services to families through

the federal McKinney-Vento Homeless Assistance Act. The Act allows for children of families who are in a temporary living situation be offered services such as enrollment assistance, nutrition services, clothing or school supplies, community referrals, and in some cases, transportation. If you are living in any of the following temporary circumstances, you *may be* eligible for assistance under this act which includes:

- Living in a shelter
- Living in transitional housing
- Living in a hotel/motel
- Living in a situation that is the lack of fixed, regular, and adequate nighttime residence

Please contact the district's Parent Liaison at 602-237-9100, ext. 3052, for more information about this program. Our Academic Services Department is happy to assist students, staff, parents, and the community with any questions or support needed.

OPEN ENROLLMENT (Out of District Students)

The Laveen Elementary School District has an open-enrollment program as set forth in A.R.S. § 15-816 and outlined in District Policy JFB. Open enrollment requests are required for students who reside outside of the Laveen School District boundary.

Open enrollment enables Arizona students to attend public schools outside their attendance area. In accordance with state law, the District has established an open enrollment policy and implemented an open enrollment program without charging tuition for non-resident students. Open enrollment applications are available online. Acceptance is on a year-by-year basis and subject to re-application and review each year.

Once students are accepted and attending the school of choice, they must comply with school rules. These rules and regulations may include standards of academic effort, conduct, or attendance. Failure to comply with these rules and regulations may result in an open enrollment revocation.

Schools will accept open enrollment students throughout the school year as capacity allows, following the enrollment priorities described below.

Enrollment Priority

The District will give enrollment preference to and reserve capacity for all of the following:

- A. District resident students, including those issued certificates of educational convenience and those required to be admitted by statute.
- B. Students returning to the same school from the prior year.
- C. Siblings of students already enrolled.
- D. Students who are children of persons who are employed by or at a school in the School District.

If there is excess capacity remaining after the reserved capacity identified above, the District will give open enrollment priority to nonresident students in the following order:

- A. Students who are in foster care.
- B. Students who meet the definition of unaccompanied youth prescribed in the McKinney-Vento Homeless Assistance Act (P.L. 100-77; 101 Stat 482; 42 United States Code Section 11434a).
- C. Students who attend a school that is closing.
- D. Nonresident students not included in any of the above criteria.

For more information on open enrollment, please visit our website at:

www.laveenschools.org/about-laveen/registration/open-enrollment/

PARENT INVOLVEMENT

The success and operation of Vista del Sur is enhanced by the attendance and participation of parents, teachers, and administrators in school organizations and committees. Vista's accomplishments are directly related to the partnership between school and home. Our parent volunteer requirements are as follows:

At least one adult from each family that enrolls their child at Vista del Sur is required to volunteer a minimum of seven (7) hours for the school during the school year. It is hoped that parents who have schedules and time commitments that allow will volunteer many more hours than this. We welcome and appreciate the time our parents can devote to their child's education, but also understand that time available is different for each individual parent. Volunteering your time can be accomplished in a variety of ways, either at school or at home. Your child's teacher or our front office staff can provide more information. If seven volunteer hours are not completed by the end of each school year, parents may be required to withdraw their children and return to their home school.

PARENT-TEACHER ORGANIZATION (PTO)

This volunteer parent-teacher organization meets each month to support academic endeavors. PTO activities include fundraising, building school community and spirit. The PTO officers are elected by the membership. Parents who choose to bring their child to PTO meetings must provide direct supervision.

PARENTS' RIGHT TO KNOW

In accordance with the Elementary and Secondary Education Act (ESEA), parents have the right to request information regarding the professional qualifications of his or her child's teacher. To receive this information, please contact the building principal.

PHOTO AND VIDEO USE

Your child may be photographed and/or videotaped in a school-related setting. These pictures and/or videos may be reproduced in the media and/or school-related publications such as, but not limited to, newsletters, brochures, school/district websites, and district-approved social media. No photographs or videos will be shared publicly without a signed release by the parent or guardian.

Surveillance cameras are in use, throughout the school, the district office, and district buses to promote safety and security.

PROMOTION/RETENTION

- The Laveen Elementary School District is dedicated to the continuous development of each student.
- Promotion from grade to grade will be based upon standards for each basic subject area as identified in the course of study.
- The Laveen Elementary School District standards that students must achieve include accomplishment in the areas of reading, written communication, mathematics, science, and social studies, as adopted by the State Board of Education.
- In addition to these standards, test scores, grades, teacher-principal recommendations, and other pertinent data are used to determine promotion.
- Retention of students is a process that is followed when the professional staff, in consultation with the parent, determines it to be in the best interest of the student. Though primary grades are suggested as the most appropriate time, retention may be considered at any grade level.
- When circumstances indicate that retention is in the best interest of the student, the student will have individual consideration and decisions will be made only after careful study of facts relating to all phases of the student's growth and development. The student's academic achievement level and mental ability are important, but physical and social characteristics are also important factors. A decision should be based on sufficient data collected and documented over a period of time and motivated by a desire to place students in school programs where they will be the most successful.
- Special education students shall be on a case-by-case basis, consistent with the individualized education plan and in accordance with AAC R7-2-301 and R7-2-401. An ongoing intervention plan must be written and implemented as soon as a student is identified by a teacher as possibly not meeting the requirements for promotion.

Competency Requirements for Promotion of Students from Third Grade

The *Move on When Reading* legislation requires that a student shall not be promoted from the third grade if he/she obtains a score on the reading portion of the state assessment that demonstrates the student's reading skills fall far below the third grade level, unless the student qualifies for one of the following exemptions:

- The student is an English Language Learner who has received less than three years of English instruction.
- The student has a disability and the IEP team agrees promotion is appropriate or the student is in the process of being evaluated for an IEP.
- The student has been diagnosed with a significant reading impairment, including dyslexia.
- The student demonstrates sufficient reading skills or adequate progress toward sufficient reading skills through a collection of assessments approved by the State Board of Education.
- The student receives intervention and remedial services during the summer or subsequent year and demonstrates sufficient reading progress.

Intervention and remedial strategies shall be provided to students who are not promoted from the third grade. For additional information, visit <http://www.azed.gov/mowr/>
A.R.S. § 15-701

Promotion from Eighth Grade

The State of Arizona does not provide or require eighth grade diplomas. Eighth grade students being promoted to ninth grade will be assisted with the registration process in the transition to high school, and student records will be sent as requested.

RIDESHARE TRANSPORTATION

The Laveen Elementary School District expects a parent, guardian, or trusted adult to pick up their child. Sending a Rideshare to pick up your child creates a risk that you assume. The District bears no responsibility for ensuring your child's safety if they are picked up via Rideshare (UBER, Lyft, Taxi, Etc.). The school must have a signed Rideshare Acknowledgment on file. This form is available in the school's front office.

SEARCH AND SEIZURES

School officials have the right to search and seize property, including school property temporarily assigned to students, when there is reason to believe that some material or matter detrimental to health, safety, and welfare of the student(s) exist.

Items provided by the District for storage; (e.g., desks) are provided as a convenience to the student but remain the property of the school and are subject to its control and supervision. Students have no reasonable expectancy of privacy, and desks, storage areas, etc. may be inspected at any time with or without reason, or with or without notice, by school personnel.

SITE COUNCIL

The School Site Council is advisory to the school administrative staff. The Site Council operates within the guidelines of District policy, budget, ethics and the law. The Site Council meets each month and, if necessary, establishes committees in which parents may serve.

SPECIAL EDUCATION STUDENTS

The Laveen Elementary School District has procedures for identifying special education students. If you know of a child who might have disabilities that may hinder their learning and is not receiving services, please call the school office or Student Services at 602-237-9100. (See the flow chart included in this handbook.)

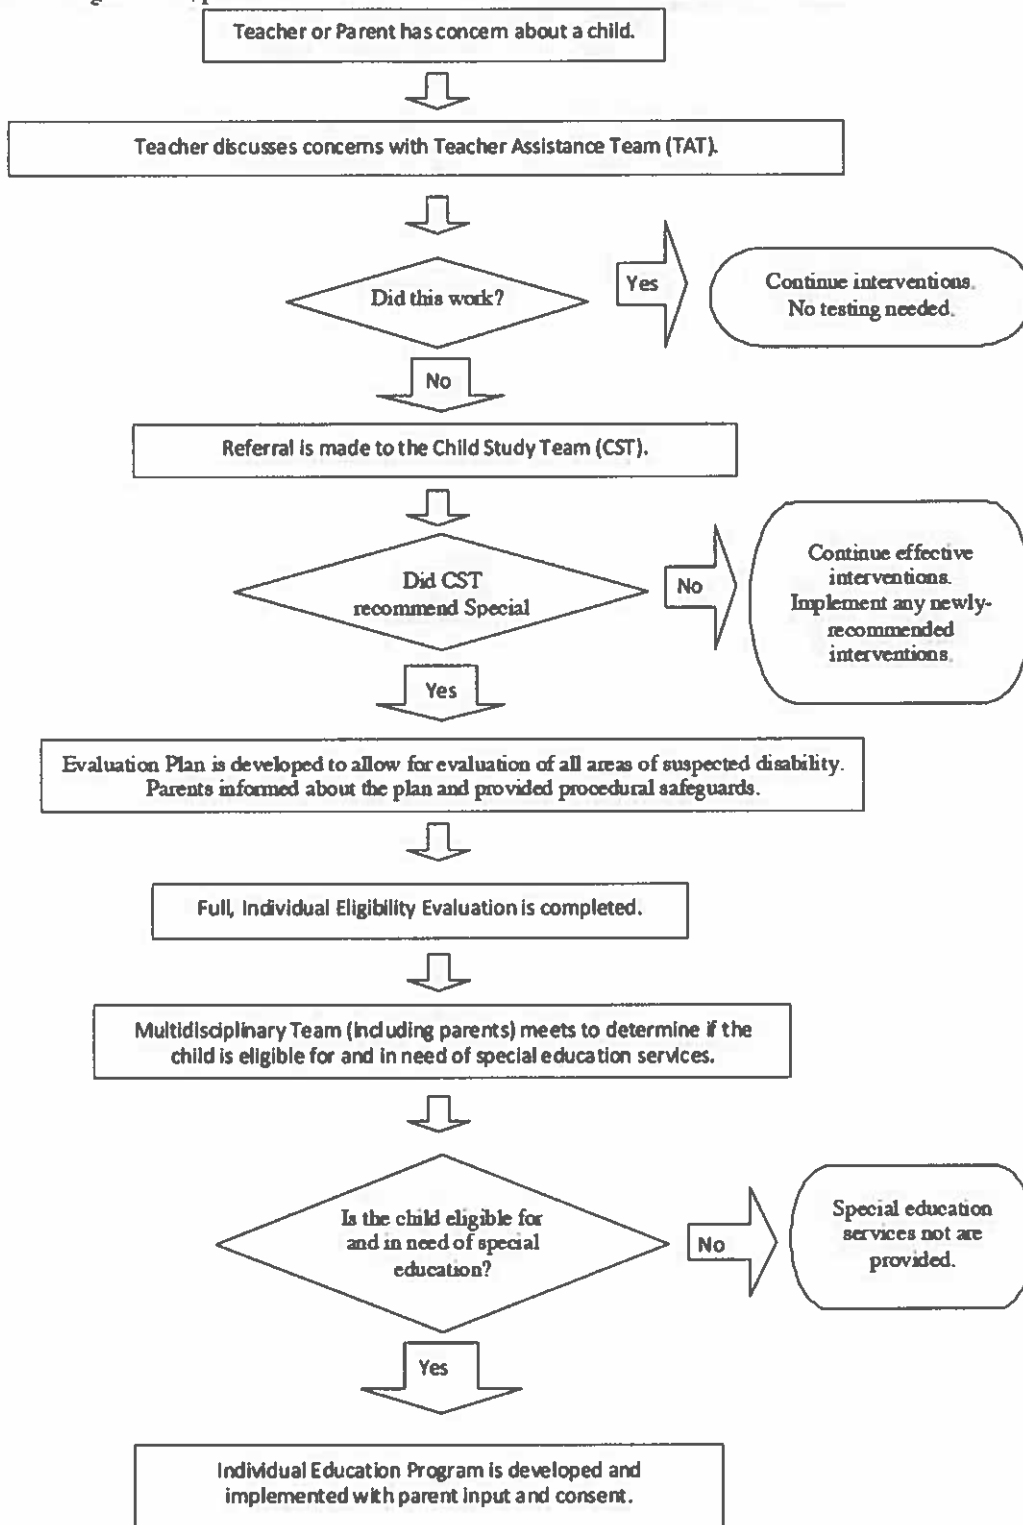

Child Find

The intent of Child Find is that all children from birth through age 21 with delays or disabilities are identified, located, and evaluated to receive the support and services they need. Public schools and the Arizona Early Intervention Program are responsible for "finding" eligible children and providing services needed for them to reach their development milestones or meet their educational needs.

Child Find procedures include identification (screening), referral, and evaluation procedures. The Child Find process includes: the 45 Day Screener, the Teacher Assistance Team, the Child Study Team (CST), and review of enrollment data and educational performance for transferring students.

For children who are suspected of having a disability, the CST will recommend that a full and individual evaluation will be conducted by a multidisciplinary evaluation team to determine eligibility and need for special education.

The following are the Laveen School District's procedures for identifying special education students. If you know of a child who might have disabilities that may hinder their learning and is not receiving services, please call the school office or Student Services at 602-237-9100.

STUDENT CONCERNS, COMPLAINTS, AND GRIEVANCES

Procedures are established whereby students with sufficient concerns may present a complaint or grievance regarding a violation of their constitutional rights, equal access to programs, discrimination, or personal safety provided that:

- The topic is not the subject of disciplinary or other proceedings under other policies and regulations of the District, and
- The procedure shall not apply to any matter for which the method of review is prescribed by law, or the Governing Board is without authority to act.

See EXHIBIT JII-EB in the back of this handbook for additional information regarding the guidelines to be followed for student concerns, complaints, and grievances.

STUDENT IDS

At the start of the school year, every student will receive a school ID badge, badge holder, and lanyard. This ID is required for students to access breakfast and lunch at the cafeteria, and to use the district transportation. In case of loss or damage, replacement IDs, badge holders, and lanyards can be obtained from the front office at a reasonable cost.

STUDENT RECORDS

The Laveen School District has adopted written policies regarding the collection, storage, retrieval, use, and transfer of student records. These procedures are in compliance with all federal and state laws and statutes.

STUDENT SURVEYS

Student surveys will be prepared, administered, retained, and communicated to parents and students in a manner consistent with state and federal laws. Parental consent is sought before administering any survey that is retained by the school district or department of education for longer than one (1) year and that solicits personal information about the pupil regarding the characteristics listed in A.R.S. 15-117 and in District Policy JRR.

STUDENT UNIFORM AND DRESS CODE

All students in preschool through eighth grade who attend the District schools are expected to dress in the proper standard school attire. It is the parent's responsibility to ensure compliance with the dress code. All students who attend the District schools must dress in accordance with this dress code.

All students will wear the standard school clothing. The clothing may not be altered in a manner that includes but is not limited to, slits and shredded hems. The standard school clothing shall be:

Tops:

- All white, navy, or light blue shirt with collar. No logos on the shirt. This may include, but not be limited to, a "polo" shirt or dress shirt.
- During the colder months, students may wear blue, white, gray, or black sweatshirts or sweaters in class. A combination of or pattern in these colors is permitted, but no print or graphics unless it is a small logo. Sweatshirts and sweaters must be worn over a uniform top.
- Any undershirts must be uniform colors.
- No undergarments may show.

Bottoms:

- Solid black, navy blue, or tan khaki slacks, shorts, skorts, skirts, or jumpers. No logos on slacks, shorts, skorts, skirts, or jumpers.
- No blue jeans or blue jean shorts.
- Sweatpants and stretch pants are not permitted.

Baggy or oversized clothing is not acceptable and thus is prohibited. Clothing may not be more than one (1) size too large, to allow for one (1)-year's growth. No sagging of clothing is allowed.

Students may not wear short shorts, short skirts, or short jumpers. Pant legs may not be rolled up or held up with rubber bands or other devices. The length of shorts, skorts, skirts, and jumpers must be at least the length of where the student's fingertips rest when shoulders are relaxed and arms are stretched downward toward the leg, approximately no more than three (3) to four (4) inches above the knee.

Belts (if worn) must be black, brown, or navy and may not be more than one (1) size larger than the waist and must be worn around the waist.

Students may wear outerwear that is in good repair and does not contain any inappropriate print or graphics while outdoors only. Upon entering any school building, the coat, jacket, sweatshirt, or sweater must be removed unless it is in compliance with uniform code described above. The only type of headgear permitted will be a hat, which can be worn outdoors only. Hoods on sweatshirts and sweaters may be worn outdoors only.

For safety reasons, students are encouraged to wear covered shoes. Open toed shoes including but not limited to flip-flops, slides, sandals, slippers, or bare feet are not acceptable. Any color socks may be worn. Full-length tights, leggings, and knee-high socks/tights are acceptable when worn with uniform bottoms.

When school sanctioned dress up days occur, all clothing must be in compliance with the regulations described in this section. In addition, the following regulations also apply:

- Any print or graphics on clothing must be school appropriate.
- No undergarments may show.
- All tops must have sleeves. Sleeveless tops and tank tops are not allowed.
- Clothing must be in good repair.

Students not dressed in accordance with the District dress code will not be permitted in class until they are in compliance. Students may call to request parents bring a school appropriate clothing change in order to meet compliance regulations. When available, students may choose to change into school provided uniforms. Students may wait in the In School Detention room until they are dressed in compliance. Students who repeatedly fail to dress in accordance with this dress code may be subject to disciplinary actions as set forth in the District policy manual.

No student shall be subject to discipline for failure to comply with this dress code if the reason is economic hardship. Under such circumstances, the school will furnish the student with standard school clothing.

Any buttons, jewelry, or other accessories that contain vulgar, lewd, obscene, or plainly offensive messages or that may lead to substantial interference with school activities, including accessories that advocate the use of alcohol or drugs and accessories that make reference to or identify gangs, are not allowed.

The principal may allow nonuniform days when students may wear clothing other than the standard school clothing. The students and parents will be notified prior to the non-uniform day. School dress must still comply with dress code standards.

STUDENT VIOLENCE/HARASSMENT/INTIMIDATION/BULLYING

The Governing Board believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Board further believes a school environment inclusive of these traits maximized student achievement, fosters student personal growth, and helps students build a sense of community that promotes positive participation as members of society. Bullying, harassment or intimidation as defined by District Policy JICK will not be tolerated.

The principal will investigate all reports of bullying. If the principal determines that bullying has occurred, discipline will be administered pursuant to Board Policies. See EXHIBIT JICK-EB at the end of this handbook for additional information, including definitions of bullying, harassment, and intimidation.

TECHNOLOGY USE – District Policy Exhibit IJNDB-EB

Use of Technology Resources in Instruction

Student Acceptable Use Agreement – Electronic Information System

Laveen Elementary School District (LESD) students have the opportunity to use technology that facilitates creative problem solving, information fluency, and collaboration needed in today's societies. As students are expected to apply these skills and extend their creative abilities, we also want them to be safe, legal, and responsible. This Acceptable Use Agreement (AUA) supports our vision of technology use and upholds in our students a strong sense of digital citizenship.

Technology Usage

LESD students will use technology to help them prepare to work, live, and contribute to our connected world. LESD encourages students to use technology to:

- facilitate creativity and innovation
- support collaboration
- support communication
- understand technology operations and concepts
- publish creative content
- seek knowledge and extend research
- explore data to create new content
- increase technology literacy

Being a 21st Century Learner

Learning skills and 21st century tools are used together to enable students to effectively build content knowledge. Building knowledge will allow our students to function effectively in personal, community and workplace environments. Being a 21st Century Learner will require new skills and a responsibility for students to use information and technology in a safe, legal manner. Being a 21st Century Learner you agree to the following:

- **Respect Yourself.** I will select online names that are appropriate. I will consider the information and content that I post online.
- **Protect Yourself.** I will not publish my personal details, contact details or a schedule of my activities.
- **Respect Others.** I will not use technologies to bully or tease other people. I will not share or use another student's password to log into the network or any software applications.
- **Protect Others.** I will protect others by reporting abuse and not forwarding inappropriate materials or communications.
- **Respect Intellectual Property.** I will suitably cite any and all use of websites, books, media, etc.
- **Protect Intellectual Property.** I will request to use the software and media others produce.
- **Act Responsibly.** I will follow all LESD rules for behavior while using any computer or technology related piece of equipment or software.
- **Protect the equipment.** Food, drink, and physical abuse will cause damage to technology equipment. I am responsible for the technology equipment when in my use. I will be held responsible for any damage to the equipment and understand that payment for damage to district property may occur. Arizona State Statute (A.R.S. §15-727).
- **Report Abuse.** I will report misuse and abuse of school resources to the proper school personnel and will assist in creating a safer network environment for all.
- **Logging on/off.** I am responsible for properly logging on and off the Internet, and other district applications, to insure security of my username and password.

Sharing Policy

The Children's Online Privacy Protection Act (COPPA) is a federal law governing the online collection of personal information from children under 13. The rules spell out what a website operator must include in a privacy policy, when and how to seek verifiable consent from a parent and what responsibilities an operator has to protect children's privacy and safety online. The Laveen Elementary School District utilizes several educational software applications and web-based services that are operated by third parties. In order for students to use these valuable programs and services, certain personal information, generally the students name and username and/or email address, must be provided to the website operator. Under federal law, these websites must provide parental consent before collecting personal information from children under the age of 13. The law permits schools to consent to the collection of personal information on behalf of all of its students, eliminating the need for individual parental consent given directly to the website operator, A list of websites that may be used in District classrooms, with links to their privacy policies and terms of service is available on the Laveen School District website at laveeneld.org. By agreeing to this AUA, you agree to allow the Laveen Elementary School

VOLUNTEER HOURS-TRACKING

Logging the hours of volunteers is required. Volunteer tickets are provided to keep track of hours. Remember to include hours for volunteers in the following areas:

- Classroom
- Library
- Music Department
- Cafeteria
- Work-at-home volunteers
- Clerical
- Gymnasium
- Art Department
- PTO Activities
- Chaperones

WITHDRAWING STUDENTS

- Please notify the office at least two days in advance of your child's withdrawal (sooner if at all possible).
- Prior to being withdrawn, all books and school materials (including textbooks and library materials) must be turned in and all fines must be paid.
- Parents must sign and pick up a copy of the withdrawal form. This form will be needed to register your child at his/her new school.

ZERO-TOLERANCE: FIREARMS – SALE OF DRUGS

To ensure the safety of all students and employees, the Laveen Elementary School District takes a strong zero-tolerance approach in dealing with firearms and the sale or distribution of drugs on school campuses. Students who possess firearms or are engaged in the sale or distribution of drugs at school will be expelled from the district. A.R.S. § 15-841 (G) stipulates that, "A school district or charter school shall expel from school for a period of not less than one year a student who is determined to have brought a firearm to a school within the jurisdiction of the school district or the charter school..."

Annual Notification to Parents Regarding Confidentiality of Student Education Records

Dear Parent:

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. The Governing Board has established written policies regarding the collection, storage, retrieval, release, use, and transfer of student educational information collected and maintained pertinent to the education of all students to ensure the confidentiality of the information and to guarantee parents' and students' rights to privacy. These policies and procedures are in compliance with:

The Family Education Rights and Privacy Act; Title 20, United States Code, Sections 1232g and 1232h; and the Federal Regulations (34 C.F.R., Part 99) issued pursuant to such act;

Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT ACT);

Every Student Succeeds Act of 2015 (ESSA);

The Individuals with Disabilities in Education Act; 20 U.S.C. Chapter 33; and the Federal Regulations (34 C.F.R. Part 300); and

Arizona Revised Statutes, Title 15, sections 141 and 142.

Student education records are collected and maintained to help in the instruction, guidance, and educational progress of the student, to provide information to parents and staff members, to provide a basis for the evaluation and improvement of school programs, and for legitimate educational research. The students' records maintained by the District may include - but are not necessarily limited to, identifying data, report cards and transcripts of academic work completed, standardized achievement test scores, attendance data, reports of psychological testing, health data, teacher or counselor observations, and verified reports of serious or recurrent behavior patterns.

These records are maintained in the office of the District under the supervision of the school administrator and are available only to the teachers and staff members working with the student. Upon request, the District discloses education records, including disciplinary records, without consent to officials of another school district in which a student seeks or intends to enroll. Otherwise, records are not released to most agencies, persons or organizations without prior signed and dated written consent of the parent [34 C.F.R. 99.7]. The signed and dated written consent may be in electronic form under certain conditions [34 C.F.R. 99.30].

You shall be informed when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to your child. The information must be maintained for two (2) years after the date your child was last enrolled in this school district.

You have the right to inspect and review any and all records related to your child within forty-five (45) days of the day of receiving a request for access, including a listing of persons or

organizations who have reviewed or have received copies of the information [34 C.F.R. 99.7]. Parents who wish to review their children's records should contact the principal for an appointment or submit to the principal a written request that identifies the record(s) you wish to inspect. District personnel will make arrangements for access and notify you of the time and place where the records may be inspected. District personnel will be available to explain the contents of the records to you. Copies of student education records will be made available to parents when it is not practicable for you to inspect and review the records at the school. Charges for the copies of records will be costs of copying unless the fee prevents the parent from exercising rights to inspect and review those records.

You have the right to request that an amendment be made to the student's education records and to add comments of your own if you believe information in the record file is inaccurate or misleading [34 C.F.R. 99.7(a)(1)]. You should write the principal, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by you, the District will notify you of the decision and advise you of the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when notified of the right to a hearing.

You have the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Copies of the District student education records confidentiality policies and procedures may be reviewed in the assigned office in each school [34 C.F.R. 99.7]. You have the right to file a complaint with the Family Educational Rights and Privacy Act Office in Washington, D.C., concerning alleged failures by the District to comply with the requirements of FERPA [34 C.F.R. 99.7]. The name and address of the Office that administers FERPA are:

July 1, 2024

Dear Parent:

This is to advise you that, in accordance with federal and state regulations, the Laveen Elementary School District will destroy all student record data including special education records (except permanent record cards and withdrawal information) four years after a student has withdrawn, transferred or been promoted from the district, or when this information is no longer needed to provide education services to your special education student.

Information contained in these records, however, may be needed for other purposes, such as documentation for eligibility for social security benefits, etc.

Before these records are destroyed, you have the right to review them and obtain copies of any information. This letter is to advise you of the district procedures relative to student records. If you wish copies of records, please contact the school secretary prior to leaving the district. No other notification of destruction of records is provided.

Sincerely,

Dr. Todd Liolios
Executive Director of Student Services

EXHIBIT

STUDENT CONCERNS, COMPLAINTS, AND GRIEVANCES

**(To be displayed in school buildings
and in student handbooks)**

Students may present a complaint or grievance regarding one (1) or more of the following:

- Violation of the student's constitutional rights.
- Denial of an equal opportunity to participate in any program or activity for which the student qualifies not related to the student's individual capabilities.
- Discriminatory treatment on the basis of race, color, religion, sex, age, national origin, or disability.
- Concern for the student's personal safety.

Complaints and grievances related to allegations of student violence, harassment, intimidation or bullying are to be filed in accordance with Board Policy JICK.

Provided that:

- The topic is not the subject of disciplinary or other proceedings under other policies and regulations of this District, and
- The procedure shall not apply to any matter for which the method of review is prescribed by law, or the Governing Board is without authority to act.

The guidelines to be followed are:

- The accusation must be made within thirty (30) calendar days of the time the student knew or should have known that there were grounds for the complaint/grievance.
- The complaint/grievance shall be made only to a school administrator or a school staff member.
- The person receiving the complaint will gather information for the complaint form.
- All allegations shall be reported on forms with the necessary particulars as determined by the Superintendent. *Forms are available in the school office.*
- The person receiving the complaint shall preserve the confidentiality of the subject, disclosing it only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law.

Any question concerning whether the complaint or grievance falls within this policy shall be determined by the Superintendent.

A student or student's parent or guardian may initiate the complaint process by completing Exhibit JII-EA.

A complaint or grievance may be withdrawn at any time. Once withdrawn, the process cannot be reopened if the resubmission is longer than thirty (30) calendar days from the date of the occurrence of the alleged incident. False or unproven complaint documentation shall not be maintained.

Retaliatory or intimidating acts against any student who has made a complaint under the District policy and its corresponding regulations, or against a student who has testified, assisted or participated in any manner in an investigation relating to a complaint or grievance, are specifically prohibited and constitute grounds for a separate complaint.

Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant District policies shall be followed.

When District officials have a reasonable belief or an investigation reveals that a reported incident may constitute an unlawful act, law enforcement authorities will be informed.

EXHIBIT

STUDENT BULLYING / HARASSMENT / INTIMIDATION

(To be displayed in Student Handbooks)

The Governing Board of the Laveen Elementary School District believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Governing Board further believes a school environment that is inclusive of these traits maximizes student achievement, fosters student personal growth, and helps a student build a sense of community that promotes positive participation as citizens in society.

To assist in achieving a school environment based on the beliefs of the Governing Board, bullying, harassment, or intimidation in any form will not be tolerated.

Bullying: Bullying may occur when a student or group of students engages in any form of behavior that includes such acts as intimidation and/or harassment that

- A. has the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm or damage to property,
- B. is sufficiently severe, persistent or pervasive that the action, behavior, or threat creates an intimidating, threatening, or abusive environment in the form of physical or emotional harm,
- C. occurs when there is a real or perceived imbalance of power or strength, or
- D. may constitute a violation of law.

Bullying of a student or group of students can be manifested through written, verbal, physical, or emotional means and may occur in a variety of forms including, but not limited to

- A. verbal, written/printed or graphic exposure to derogatory comments, extortion, exploitation, name calling, or rumor spreading either directly through another person or group or through cyberbullying,
- B. exposure to social exclusion or ostracism,
- C. physical contact including but not limited to pushing, hitting, kicking, shoving, or spitting, and
- D. damage to or theft of personal property.

Cyberbullying: Cyberbullying is, but not limited to, any act of bullying committed by use of electronic technology or electronic communication devices, including telephonic devices, social networking and other Internet communications, on school computers, networks, forums and mailing lists, or other District-owned property, and by means of an individual's personal electronic media and equipment.

Harassment: Harassment is intentional behavior by a student or group of students that is disturbing or threatening to another student or group of students. Intentional behaviors that characterize harassment include, but are not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact and unwelcome verbal or written comments, photographs and graphics. Harassment may be related, but not limited to, race, religious orientation, sexual orientation, cultural background, economic status, size or personal appearance. Harassing behaviors can be direct or indirect and by use of social media.

Intimidation: Intimidation is intentional behavior by a student or group of students that places another student or group of students in fear of harm of person or property. Intimidation can be manifested emotionally or physically, either directly or indirectly, and by use of social media.

Students are prohibited from bullying on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums, or mailing lists.

Disciplinary action may result for bullying which occurs outside of the school and the school day when such acts result in a substantial physical, mental, or emotional negative effect on the victim, while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of the school system to maintain order. All suspected violations of law will be reported to local law enforcement.

Students who believe they are experiencing being bullied, harassed, or intimidated or suspect another student is bullied, harassed, or intimidated should report their concern to any staff member of the School District. School personnel are to maintain appropriate confidentiality of the reported information.

Reprisal by any student directed toward a student or employee related to the reporting of a case or a suspected case of bullying, harassment, or intimidation shall not be tolerated, and the individual(s) will be subject to the disciplines set out in applicable District policies and administrative regulations.

Students found to be bullying, harassing, or intimidating others will be disciplined up to and including suspension or expulsion from school.

Knowingly submitting a false report under Policy JICK or this exhibit shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of Policy JICK or this exhibit, relevant District policies shall be followed.

Law enforcement authorities shall be notified any time District officials have a reasonable belief that an incidence of bullying, harassment, or intimidation is a violation of the law.

HAZING

(To be displayed in school buildings and placed in student handbooks)

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing of any person enrolled, accepted for or promoted to enrollment, or intending to enroll or be promoted to schools within twelve (12) calendar months. For purposes of this policy a person as specified above shall be considered a "student" until graduation, transfer, promotion or withdrawal from the school.

Definitions

"Hazing" means any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with or the maintenance of membership in any organization that is affiliated with an educational institution.
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation, or causes physical injury, mental harm or personal degradation.

"Organization" means an athletic team, association, order, society, corps, cooperative, club, or similar group that is affiliated with an educational institution and whose membership consists primarily of students enrolled at that educational institution.

Directions

It is no defense to a violation of this policy if the victim consented or acquiesced to hazing.

In accord with statute, violations of this policy do not include either of the following:

- Customary athletic events, contests or competitions that are sponsored by an educational institution.
- Any activity or conduct that furthers the goals of a legitimate educational curriculum, a legitimate extracurricular program or a legitimate military training program.

All students, teachers and staff shall take reasonable measures within the scope of their individual authority to prevent violations of this policy.

Reporting/Complaint Procedure

Students and others may report hazing to any professional staff member. Professional

staff members must report the incident to the school administrator or next higher administrative supervisor, in writing, with such details as may have been provided. A failure by a staff member to timely inform the school administrator or next higher administrative supervisor of a hazing allegation or their observation of an incident of hazing may subject the staff member to disciplinary action in accord with School policies. The staff member shall preserve the confidentiality of those involved, disclosing the incident only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law. Any instance of reported or observed hazing which includes possible child abuse or violations of statutes known to the staff member shall be treated in accord with statutory requirements and be reported to a law enforcement agency.

A person who complains or reports regarding hazing may complain or report directly to the school administrator or to a professional staff member. The professional staff member receiving the report/complaint shall retrieve sufficient detail from the person to complete the form designated for such purpose. At a minimum the report/complaint shall be put in writing containing the identifying information on the complainant and such specificity of names, places and times as to permit an investigation to be carried out. When a professional staff member receives the information, the staff member will transmit a report to the school administrator or supervising administrator not later than the next school day following the day the staff member receives the report/complaint.

The report/complaint will be investigated by the school administrator or a supervising administrator. The procedures to be followed are:

- An investigation of the reported incident or activity shall be made within ten (10) school days when school is in session or within fifteen (15) days during which the school offices are open for business when school is not in session. Extension of the time line may only be by necessity as determined by the Superintendent.
- The investigator shall meet with the person who reported the incident at or before the end of the time period and shall discuss the conclusions and actions to be taken as a result of the investigation. Confidentiality of records and student information shall be observed in the process of making such a report.
- The investigator shall prepare a written report of the findings and a copy of the report shall be provided to the Superintendent.

All violations of this policy shall be treated in accord with the appropriate procedures and penalties provided for in School policies related to the conduct and discipline of students, staff, and others.

Title I Compact District-School-Student-Parent

Title I is a federally funded program providing supplementary assistance and instructional materials to improve academic achievement. An additional goal is to increase parental involvement by providing parents with strategies to help their child succeed in school and life. The following agreements contain expectations of the District, school, student, and parent that will ensure your child's success.

District Agreement

We believe all students can achieve high academic standards. Therefore, we will do the following:

- Assist participating schools with parent/guardian involvement activities
- Build the capacity for strong parental involvement
- Coordinate Title I parental/guardian involvement with other programs
- Conduct an annual evaluation of the parent/guardian involvement policy
- Involve parents/guardians in the activities of the schools

School Agreement

It is important that students achieve academically. Therefore, we shall strive to do the following:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment
- Provide a description and explanation of the curriculum, academic assessments, and the proficiency levels students are expected to meet
- Involve parents/guardians in the planning, review, and improvement of programs under Title I
- Communicate with student's parents/guardians on an ongoing basis (i.e., mid-term reports, phone calls, report cards)

Student Agreement

It is important that I work to the best of my ability. Therefore, I shall strive to do the following:

- Come to school regularly, on time, and prepared to learn
- Do my best in my work and behavior
- Show respect for myself, others, and their possessions

Parent/Guardian Agreement

I want my child to achieve. Therefore, I will encourage him/her by doing the following:

- Monitor my child's attendance, homework, and television/video game viewing
- Volunteer and participate in decisions relating to my child's education and extracurricular activities
- Communicate with my child's teacher(s) on an ongoing basis
