

2024-2025 Enrollment Information

Open Enrollment

Our 2024-2025 school year Open Enrollment will begin February 5th, 2024. A link for our Open Enrollment form will be posted on our school website. Open enrollment forms will be submitted online.

Assessment Screening

All applicants will be contacted by our front office via email to schedule an assessment upon submitting their open enrollment form. You will receive a list of documents you need to bring to testing. We do not provide assessment scores to the parents, as they are for school use only. A student will not be considered for acceptance if required documents have not been received.

Acceptance

Acceptance at Vista del Sur Accelerated Academy is based on the following criteria:

- Assessment test scores
- AASA test scores (4th – 8th Grade)
- Laveen School District residents
- Prospective students with siblings currently attending Vista del Sur
- Out of district residents
- Date/time open enrollment form was submitted

Enrollment openings are filled from our waiting list. This means that if you are placed on the waiting list we will contact you immediately when space becomes available. Unfortunately, we are not able to tell you what number your child is on the waiting list because lists are constantly changing based on the criteria above. Because openings are based on available space within each grade level, your child may not be testing to fill an available seat but rather to be placed on the waiting list.

Tours

Campus tours will be offered on the following dates: February 7th, March 21st, April 11th, and May 9th. All tours begin at 3:30 pm.

Thank you for your interest in Vista Del Sur Accelerated Academy.
We look forward to having you as part of our Tiger family!
