

Open Enrollment

We will begin accepting 2021-2022 school year open enrollment forms for prospective students on January 12, 2021. Forms will be accepted online only for the safety of all applicants. Once you have submitted your form online our office will contact you to schedule the assessment screening.

Assessment Screening

All applicants will be assigned an assessment screening time upon submitting their open enrollment form. You will receive testing information and a list of documents you will need to submit electronically before testing. We do not provide assessment scores to the parents, as they are used for school use only. A student will not be considered for acceptance if required documents have not been received.

Acceptance

Acceptance at Vista del Sur Accelerated Academy is based on the following criteria in order of importance:

- Assessment test scores
- AIMS/AZ Merit test scores (5th – 8th Grade)
- Laveen School District residents
- Prospective students with siblings currently attending Vista del Sur
- Out of district residents
- Date/time open enrollment form was submitted

Enrollment openings are filled from our waiting list. This means that if you are placed on the waiting list we will contact you immediately when space becomes available. Unfortunately, we are not able to tell you what number your child is on the waiting list because lists are constantly changing based on the criteria above. Because openings are based on available space within each grade level, your child may not be testing to fill an available seat but rather to be placed on the waiting list.

Thank you for your interest in Vista Del Sur Accelerated Academy.
We look forward to having you as part of our Tiger family!
