MAP Growth Testing
(Grades 3-8)

February 17
Early Release, 12:00 PM

Principal's Note

We are kicking off the Kindness Challenge! It will run through the month of February and include activities at school, at home, and throughout the community. This year's goal is for Vista's students to create at least 1,000 cards for the elderly. In addition, teachers will be engaging students in kindness lessons each week. Be sure to check out Vista's Facebook page or the Google Classroom students will be invited to on Monday for other fun activities like spirit days and at home challenges.

Vista Del Sur is now accepting NEW student open enrollment applications for the 2021-22 school year. Visit our enrollment page for more details and to apply.

Preschool registration for Vista del Sur preschool for the fall of 2021-22 school year, began on February 3rd. ALL registrations must be done at the Kids Club office, located at Desert Meadows (6855 W. Meadows Loop East). Please see the link for additional information: <http://www.laveeneld.org/programs-services/preschool/>

Sincerely,
Mrs. Epacs

**Watch for our Friday
Announcements weekly email
communication! We look
forward to seeing you soon!**

Returning to School!

At the last Governing Board meeting, the Board voted to return to hybrid learning on March 1 or when community metrics fall within the moderate risk category (<100 cases per 100,000 people and <10% positivity) for two consecutive weeks, whichever comes first.

Our commitment has always been to maintain the safety of our students and staff. We believe that our strong mitigation measures, coupled with the vaccine for staff, will allow us to safely provide in-person learning for families who have selected this model of instruction.

You have already indicated the learning model you prefer for your child(ren) and no further action is needed on your part. Your child will not experience a class change when the hybrid learning model resumes.

For families who elected to remain in the online learning program for the remainder of the year, information regarding curriculum and meal distribution will also be shared.

Thank you for your ongoing support as we navigate these challenging times. We are deeply committed to our students succeeding academically, socially, and emotionally and will work tirelessly to ensure these goals are met. Plans for learning recovery are being developed and will be shared in the coming weeks.
