## Principal's Note

The 2022-23 school year is off to an amazing start! Thank you to all the families who attended our first Site Council and PTO meetings. It's exciting to begin planning our yearly events.

This year's Curriculum Night was a great success. Our teachers shared some instructional strategies that will support our students and families. If you weren't able to attend, please reach out to your child's teacher for further information.

Our Softball and boys' Basketball coaches and athletes are preparing for the upcoming season. Our Student Council has started recruiting students for a great year of extra-curricular activities. Field trips are also in the planning stages for this school year. Our Laveen Elementary School Board recently approved our eighth grade Washington, D.C. trip. We are so excited about the number of activities we are able to provide to our students through parent support and tax credit donations. Vista's office staff can support you in making your tax credit donation therefore don't hesitate to contact the front office with any questions or concerns.

## Gifted Education News

Gifted testing will take place in October for students not already identified. Teachers will send home parent referral permission forms to students in the coming weeks.

All gifted students will receive an invitation to a gifted Google Classroom for their grade level band (K-2, 3-5, & 6-8). There is a survey for them to fill out about activities of interest and potential topics for exploration this school year. Enrichment tasks will be added weekly in a variety of areas including critical and creative thinking, academic extensions, and social-emotional topics like growth mindset and what it means to be gifted. Mrs. Garis, the gifted instructional coach, is also working with teachers to ensure students are provided with challenge within the classroom and core instruction.

TAXPAYERS CAN LOWER THEIR TAXES AND SUPPORT OUR STUDENTS! You can send all your state taxes to the State of Arizona or make a contribution to a public school and receive a State Income Tax Credit for up to \$200 for tax payers who file a tax return as single or head of household and a maximum of \$400 for married couples filing jointly on your State Income Tax Return.

A.R.S. §43-1089.01 gives you this opportunity to help your local school. A tax credit, which is the dollar-for-dollar reduction of your tax liability, is better than a tax deduction, which only reduces your taxable income before taxes are computed. The tax credit is available to all Arizona taxpayers, regardless of whether they have children in school.

For more information, go to our website at <http://www.laveeneld.org/about-laveen/tax-credit> or call the school office.

## Bus Passes

All bus riders must present their bus pass/student identification badge when they board and exit the bus.
